

The staff at Kirk Ella Police Station want to inform you of a new Police resource coming to the area in September this year. Commencing on Monday 1<sup>st</sup> September we are to start holding 2, monthly “Police Surgeries” where members of the public are able to come and talk to us about crime, general police issues or to pass on information that could be of importance to us, at a location other than the police station.

These surgeries will last for one hour and will be held at 2 local libraries in the area. One being the Anlaby library on North Street, the other being Willerby Library on Main Street. The surgeries will be “manned” by a member of staff from the Haltemprice Neighbourhood Policing Team (NPT), primarily this will be one of the 5 PCSO’S from the team.

This time is a great opportunity for you to come along and have a chat, air your views, inform us of things you think we should know about, or just a chance to meet staff from your NPT.

In September the dates and times are as below, after that the actual date in the month may vary but the surgery will still be held on the same Day and in the same place. Please look out for the advertising posters that are displayed in public places (shops, supermarkets, libraries, post offices, parish council notice boards ETC) and make a note of the next surgery.

We are making this resource available to people after feedback from other meetings where members of the public often comment that they can't get hold of their local policing team or rarely see a police officer. Please make use of this service and tell friends and family where we are, what date and time ETC. It will be a good opportunity to work with members of the community and generate feedback from yourselves.

Monday 1<sup>st</sup> September 2008, Anlaby Library, North Street Anlaby. 13:45-14:45

Friday 5<sup>th</sup> September 2008, Willerby Library, Main Street Willerby, 13:30-14:30

Many Thanks,

Rachel Kay

Please note that this service does not replace the opening of the police station to members of the public. We are still open for you to pop in on Tuesday and Thursday afternoons between the hours of 14:00 and 16:00.
